### **FINALLY- FOR THE PARENTS**

Band students may be dropped off at the stadium field and picked up in the circle drive for band camp rehearsals. The band room is located off the west side of the building next to the auditorium.

Shaw-Mi-No band parents are known throughout the area for their vigorous cheering. So, for home games, we all sit together. This allows us to cheer as one large group that the band can hear on the field.

A portion of the stands are marked off for the band. You will always find the band parents close to the band. We try to have the band parents sit in section "F".

Football games usually start at 7:00PM, however, the band performs a pre-game show at approximately 6:45PM. If you get there early, you can get a good seat and cheer the band on!

Monday night rehearsals begin at 6:30PM and end at 8:30PM. If you are picking your child up, you can be assured that they will always be released at 8:30PM. If you would like to attend any rehearsal you are always invited.
