SHAWNEE MISSION SCHOOL DISTRICT

TOBACCO/ALCOHOL/DRUG CONTRACT

DISTRICT CONTRACT REGARDING TOBACCO/ALCOHOL/DRUG AND EXTRA-CURRICULAR ACTIVITY PARTICIPATION

The Shawnee Mission School District and Shawnee Mission NORTH High School are committed to provide a wide variety of wholesome, well supervised extra-curricular activities. We encourage each and every student to become involved and participate as representatives of his/her school.

The following contract will apply to each student who represents his or her school in any extra-curricular activity. Students participating in any Shawnee Mission School District extra-curricular activity must have a signed tobacco/alcohol/drug contract on file in the principal's office. The signed contract will be in effect during the student's enrollment in a Shawnee Mission school.

Board of Education policies JICH and JICG expressly prohibit the use, possession, transfer, or sale of any alcoholic or cereal malt beverage, restricted substances, or tobacco on school property or at school activities.

Students participating in Shawnee Mission High School extra-curricular activities are expressly prohibited from the use, possession, transfer, or sale of any alcoholic or cereal malt beverage, restricted substances, or tobacco. Violation of this restriction by any Shawnee Mission student will, in addition to consequences set forth by the board of education, result in the following consequences listed below. Students in violation of this contract are encouraged to seek appropriate counseling or treatment.

A. **FIRST OFFENSE**

**IN SEASON VIOLATION:**

A conference including a building administrator, the student, parents/guardians of the student, and the coach or sponsor will be conducted. If verification is found to be sufficient by school administration, the student will be suspended from participation in all extra-curricular competition/practices for the remainder of the current season.

**OUT OF SEASON VIOLATION**

A conference including a building administrator, the student, parents/guardian of the student, and the coach or sponsor, will be conducted. If verification is found to be sufficient by the school administration, the student will be placed on immediate administrative probation. Students placed on administrative probation are not considered "in good standing" as described by the KSHSAA Rule 14 and therefore are not permitted to participate in extra-curricular activities. A student may be removed from administrative probation by completing the following:

Completion of a community service program as designed by the student and parents/guardians and approved by the school administration. This program shall consist of a minimum of 20 hours of service. The designated program must be completed prior to the student participating in any extra-curricular competition.

B. **SUBSEQUENT OFFENSES**

(Offenses are accumulative throughout the duration of the contract)

A conference including a building administrator, the student, parents/guardians of the student, and the coach or sponsor will be conducted. If verification is found to be sufficient by school administration, the student will be prohibited from participating in extra-curricular activities for one calendar year after the completion of the due process hearing.

**STUDENT AND PARENT/GUARDIAN ACKNOWLEDGEMENT**

I have read and understand the Shawnee Mission School District's Tobacco/Alcohol/Drug Contract and the consequences associated with the contract.
