

MARCHING INDIANS

BAND CAMP PART 2

You are expected to have the majority of your music memorized by the end of Band Camp. Memorization is a MUST and you've had plenty of time to practice. Memorize your music in this order: SMN Pregame, Star Spangled Banner, Marching show. During band camp (July 28th-Aug. 3rd) we will be in rehearsal 8AM to 4PM with 1 1/2 off for lunch. You may bring your lunch or you can plan on getting fast food on Johnson Drive. There are several restaurants that are within close walking distance of North. Parents, if you feel comfortable with letting your child ride with one of the older students, there are always rides available at lunch. I know high school is a big change from middle school and one of the major changes is student drivers. The band kids are some of the best kids at North. I believe they are trustworthy to get your child to a fast-food establishment.

Bring the following to band camp:

- 1) **Sunblock**
- 2) **Water- 1 gallon container with ice and water**
- 3) **Comfortable shoes with socks**(we march in the stadium)
- 4) **Hat**
- 5) **Music and Instrument**
- 6) **A Great Attitude!!!**
